

Updates from the Toowoomba Region

Planning scheme workshops

We'd love to see you at one of our regional planning scheme workshops to hear your thoughts on how the Region should be developed over the next 15 years.

Visit yoursay.tr.qld.gov.au/buildingourfuture for workshop locations and dates.

Bin collection on public holidays

Bin services will run as normal on public holidays. Make sure bins are out by 6am. Routes on Anzac Day can change as trucks avoid marches and dawn services. For more information, visit www.tr.qld.gov.au/bins

Regional pool closures

As the weather starts to cool, all regional pools will be closed from Friday 19 April. You still have a few weeks to get along to your local pool to enjoy the swimming season up to Thursday 18 April.

Green IS

We are developing a Green Infrastructure Strategy to guide the development, management and delivery of environmental resources, or 'green infrastructure', across the region. Visit yoursay.tr.qld.gov.au for more information.
